BIRMINGHAM, Ala.

HealthSouth Corp. (OTC Pink Sheets: HLSH) today announced that more than a majority in principal amount of the holders of its 7.625% Senior Notes due 2012 have delivered consents to approve proposed amendments to, and waivers under, the indenture governing such notes. HealthSouth has delivered evidence of its receipt of the requisite consents to the trustee which has made these consents irrevocable.

HealthSouth is working toward completing the consent solicitations for five series of its Senior Notes. HealthSouth emphasized that if the conditions to a consent solicitation are satisfied, any noteholders who do not deliver valid consents prior to the expiration date of such consent solicitation will not receive a consent fee. The consent solicitations are currently scheduled to expire at 11:59 p.m., New York City time, on June 23, 2004.

On June 8, 2004, HealthSouth announced that it reached an agreement with its Unofficial Committee of Noteholders pursuant to which HealthSouth will pay (i) \$30.00 per \$1,000 principal amount of notes to holders of its 8.375% Senior Notes due 2011, 6.875% Senior Notes due 2005 and 7.375% Senior Notes due 2006; (ii) \$32.50 per \$1,000 principal amount of notes to holders of its 7.000% Senior Notes due 2008; and (iii) \$45.00 per \$1,000 principal amount of notes to holders of its 7.625% Senior Notes due 2012. The payment of the consent fee remains conditioned upon the proposed amendments to the indentures becoming operative.

Each holder of notes who consents to the proposed amendments will also be waiving all alleged and potential defaults under the indentures arising out of events occurring on or prior to the effectiveness of the proposed amendments. Consents for any series of notes may be revoked at any time prior to the date on which the trustee under the indenture for that series receives evidence that the requisite consents have been obtained.

This news release is not a solicitation of consents with respect to any securities. The consent solicitations are being made only pursuant to the terms and conditions of the consent solicitation statements relating to each series of Notes and the accompanying documents.
