

HealthSouth Corporation Announces Amendments to Loan Agreements

PRNewswire-FirstCall
BIRMINGHAM, Ala.

HealthSouth Corporation (OTC Pink Sheets: HLSH) announced today that, in addition to its announcement yesterday that it has received the necessary consents of the holders of each series of its outstanding notes, it has executed agreements with respect to its \$200 million senior unsecured term loan agreement and its \$355 million senior subordinated credit agreement. These agreements, coupled with the consents, will allow HealthSouth to move forward on its previously announced plan to prepay substantially all of its existing indebtedness with the proceeds from a proposed series of recapitalization transactions.

Statements contained in this press release which are not historical facts are forward-looking statements. In addition, HealthSouth, through its senior management, may from time to time make forward-looking public statements concerning the matters described herein. Such forward-looking statements are necessarily estimates based upon current information and involve a number of risks and uncertainties. HealthSouth's actual results may differ materially from the results anticipated in these forward-looking statements as a result of a variety of factors. While it is impossible to identify all such factors, factors which could cause actual results to differ materially from those estimated by HealthSouth include, but are not limited to: the investigation by the Department of Justice into HealthSouth's financial reporting and related activity calling into question the accuracy of the Company's previously filed financial statements; the outcome of pending litigation relating to these matters; significant changes in HealthSouth's management team; HealthSouth's ability to successfully refinance its existing indebtedness as it becomes due; HealthSouth's ability to continue to operate in the ordinary course and manage its relationships with its creditors, including its lenders, bondholders, vendors and suppliers, employees and customers; HealthSouth's ability to successfully remediate its internal control weaknesses; changes, delays in or suspension of reimbursement for HealthSouth's services by governmental or private payors; changes in the regulation of the healthcare industry at either or both of the federal and state levels; competitive pressures in the healthcare industry and HealthSouth's response thereto; HealthSouth's ability to obtain and retain favorable arrangements with third-party payors; HealthSouth's ability to attract and retain nurses, therapists, and other healthcare professionals in a highly competitive environment with often severe staffing shortages; general conditions in the economy and capital markets; and other factors which may be identified from time to time in the Company's SEC filings and other public announcements, including HealthSouth's Form 10-K for the year ended December 31, 2004.
