

HealthSouth Corporation And Memorial Hospital At Gulfport Announce Joint Venture To Own And Operate Inpatient Rehabilitation Hospital

PR Newswire

BIRMINGHAM, Ala. and GULFPORT, Miss.

BIRMINGHAM, Ala. and GULFPORT, Miss., Jan. 10, 2017 /[PRNewswire](#)/ -- HealthSouth Corporation (NYSE: HLS) and Memorial Hospital at Gulfport today announced they have entered into a joint venture to own and operate an existing 33-bed physical rehabilitation unit at Memorial Hospital at Gulfport.

The inpatient rehabilitation hospital will remain in its current location at 4500 13th St. in Gulfport, Mississippi. There will be no interruption to care provided to patients. The hospital will continue to serve patients who have experienced stroke, trauma, brain and orthopedic injuries and other major illnesses or injuries.

"Memorial Hospital at Gulfport has a long history of providing excellent care. This joint venture combines the strengths of a high quality local provider with the operating platforms and clinical resources of our national network of more than 120 rehabilitation hospitals to further advance the already strong rehabilitative care Memorial provides," said Linda Wilder, president of HealthSouth's southeast region. "We look forward to working together with Memorial Hospital at Gulfport to provide inpatient rehabilitative treatment with state-of-the-art technology and clinical programs through HealthSouth's first location in Mississippi."

"Given the Medicare programs increasing emphasis on the standardization of rehabilitation services, we determined that a national partner will be in the best position to monitor ongoing regulatory actions, promote referral relationships throughout the region and attain the growth necessary for rehabilitation services to be viable over the long-term," said Gary G. Marchand, Memorial president and CEO.

Memorial will continue to have an ownership interest in the new operation and services will be provided as HealthSouth Rehabilitation Hospital of Gulfport.

The joint venture's operation of the inpatient rehabilitation hospital is expected to begin Q2 2017, and is subject to customary closing conditions, including regulatory approvals.
