BIRMINGHAM, Ala.

HEALTHSOUTH Corporation (OTC Pink Sheets: HLSH) announced today that its Board of Directors had, by unanimous vote of the outside directors, declared HEALTHSOUTH's Employment Agreement with Richard M. Scrushy null and void and removed him from his positions as Chairman of the Board and Chief Executive Officer. The Board's action was effective as of March 19, 2003, the date on which the Board placed Mr. Scrushy on administrative leave.

In a March 30 letter to Mr. Scrushy, Acting Chairman of the Board Joel C. Gordon advised Mr. Scrushy of the Board's action, under which Mr. Scrushy's rights to any payments, benefits or perquisites under his Employment Agreement were terminated as of that date. While, under applicable law, the Board is unable to remove Mr. Scrushy as a director of the company, the letter to Mr. Scrushy also requested that he resign as a director of HEALTHSOUTH. The letter further advised him that, in the event that the company is required to restate its financial statements for any prior period as a result of misconduct, Mr. Scrushy would be required under the Sarbanes-Oxley Act to forfeit to the company any bonuses or other incentive-based or equity based compensation and any profits from the sale of HEALTHSOUTH securities received during the twelve-month period following the filing of any such financial statements. The company has reserved all of its rights against Mr. Scrushy, and is committed to full cooperation with all pending investigations by governmental authorities.

In addition, the Audit Committee of the Board of Directors has determined to replace Ernst & Young LLP as HEALTHSOUTH's independent auditors. The company expects to make the transition to a new independent auditor as soon as possible.

As previously announced, the Board has engaged the turnaround advisory firm of Alvarez & Marsal Inc., to manage all finance and administrative functions for HEALTHSOUTH. Bryan P. Marsal, a founding managing director of the firm, has been appointed Chief Restructuring Officer of the company. Mr. Marsal and his team have begun work and are immediately implementing measures to stabilize the company's operations, conserve its cash and reduce costs, including evaluating the sale of non-core assets, without disrupting patient care services. As also previously announced, the Board has engaged PriceWaterhouseCoopers to provide forensic auditing services to the Board's Special Audit Review Committee and has engaged Skadden, Arps, Slate, Meagher & Flom LLP as lead coordinating legal counsel to assist it in corporate, restructuring and litigation matters.
