PR Newswire
BIRMINGHAM, Ala.

BIRMINGHAM, Ala., July 10, 2017 /PRNewswire/ -- HealthSouth Corporation (NYSE: HLS), the nation's leading owner and operator of inpatient rehabilitation hospitals and a leader in home-based care, today announced it will change its name to Encompass Health Corporation, effective January 2, 2018. The corporate name change will be accompanied by a NYSE ticker symbol change, from "HLS" to "EHC." Beginning in the first quarter of 2018, both business segments will begin transitioning to the Encompass Health name.

"This name change and rebranding initiative reflect our expanding national footprint and the strategy we are pursuing to deliver high-quality, cost-effective care across the post-acute continuum," said HealthSouth President and Chief Executive Officer Mark Tarr. "The name Encompass Health signals our commitment to creating a seamless system where high-quality care is coordinated by clinical teams across the inpatient and home settings. As Encompass Health, we will honor the legacy of our foundational businesses, HealthSouth Corporation and Encompass Home Health & Hospice, while continuing to advance our position as the leading provider of integrated post-acute care solutions in a rapidly changing healthcare environment."

As Encompass Health, the Company will continue its commitment to delivering healthcare that creates superior patient outcomes and best-in-class solutions for healthcare systems and payors. The Company is uniquely positioned to coordinate patients' care across the healthcare continuum by leveraging its clinical and operational expertise and its advanced information technology to serve as a value-added partner to acute care hospitals, physicians and payors.

The rollout of the Encompass Health brand will include changing the name and logo across signage and other branded assets for the Company's hospitals and agencies, as well as corporate resources such as its website. The rollout is expected to be completed by the end of 2019. During this time, the Company will work collaboratively with its joint venture partners to determine the timing and nature of name and logo updates for jointly-owned assets. The Company is committed to remaining headquartered in Birmingham, Alabama, where it is scheduled to open its new home office in early 2018.

The total rebranding investment is estimated to be approximately \$25 million to \$30 million, to be incurred between 2017 and 2019. Approximately \$7 million to \$10 million is expected to be incurred in 2017, of which \$6 million to \$8 million will be operating expenses and \$1 million to \$2 million will be capital expenditures. Only \$1 million of this investment is included in previously provided full-year 2017 guidance which will be updated in conjunction with the Company's second quarter earnings release scheduled for July 31, 2017.

Mark Tarr commented further: "The decision to rebrand as Encompass Health is the result of a yearlong, research-intensive process and is intended to raise awareness of our Company's strategy and value proposition with all key constituencies. Throughout this process, we have worked closely with Prophet, a leading brand-driven growth consulting firm."
