Forward-Looking Statements

Statements contained in this press release which are not historical facts, such as the timing and amounts of dividends, are forward-looking within the meaning of the Private Securities Litigation Reform Act of 1995. In addition, Encompass Health, through its senior management, may from time to time make forward-looking public statements concerning the matters described herein. All such estimates, projections, and forward-looking statements speak only as of the date hereof, and Encompass Health undertakes no duty to publicly update or revise such forward-looking statements, whether as a result of new information, future events, or otherwise. Such forward-looking statements are necessarily estimates based upon current information and involve a number of risks and uncertainties. Actual events or results may differ materially from those anticipated in these forward-looking statements as a result of a variety of factors. While it is impossible to identify all such factors, factors which could cause actual events or results to differ materially from those estimated by Encompass Health include, but are not limited to, a decision by the board of directors to change the dividend rate in the future; the legal, regulatory and administrative developments that occur at the federal, state and local levels; general conditions in the economy and capital markets, including any instability or uncertainty related to armed conflict or an act of terrorism, governmental impasse over approval of the United States federal budget, an increase in the debt ceiling, or an international sovereign debt crisis; Encompass Health's ability to comply with extensive, complex, and ever-changing regulations in the healthcare industry; potential disruptions, breaches, or other incidents affecting the proper operation, availability, or security of Encompass Health's information systems, including unauthorized access to or theft of patient, business associate, or other sensitive information; changes, delays in (including in connection with resolution of Medicare payment reviews or appeals), or suspension of reimbursement for Encompass Health's services by governmental or private payors; and other factors which may be identified from time to time in Encompass Health's SEC filings and other public announcements, including Encompass Health's Form 10-K for the year ended December 31, 2025, once filed.
