

Encompass Health Rehabilitation Hospital of Irmo now open in South Carolina

BIRMINGHAM, Ala. and IRMO, S.C., March 3, 2026 /PRNewswire/ -- Today, Encompass Health, the nation's largest owner and operator of inpatient rehabilitation hospitals, announced the opening of Encompass Health Rehabilitation Hospital of Irmo. The 49-bed inpatient rehabilitation hospital is now accepting patients.

The more than 53,000-square-foot, freestanding hospital provides essential rehabilitation services that help patients recovering from strokes, brain injuries, spinal cord injuries, amputations and complex orthopedic conditions regain functional ability, independence and quality of life. Patients receive a minimum of three hours of intensive physical, occupational and/or speech therapy five days each week, as well as frequent physician visits and 24-hour nursing care. An interdisciplinary team of highly specialized nurses, therapists and physicians create customized treatment plans to meet each patient's unique recovery goals.

"We are thrilled that Encompass Health Irmo is now open, enabling patients in the community to recover from serious illnesses and injuries closer to home," said Ronnie Wagley, president of Encompass Health's South Atlantic region. "I'm confident our talented care team in Irmo will make a meaningful difference in patients' lives for years to come."

Designed with patients' needs in mind, the hospital will offer amenities such as 49 private patient rooms; a spacious, light-filled therapy gym featuring advanced rehabilitation technologies for every mobility level; an activities of daily living suite with real-world simulated spaces; an in-house dialysis suite; a landscaped therapy courtyard with recreational areas; a dining room; an in-house pharmacy and dayroom areas.

Encompass Health Irmo is the Company's 11th location in South Carolina. To learn more about the hospital, visit encompasshealth.com/locations/irmo-rehab.
